OFFICE OF THE SECRETARY, MYSORE GOVERNMENT INSURANCE DEPARTMENT, BANGALORE.

Notification dated 15th June 1954.

To

All the Pay Drawing Officers.

Circular No. 283

The Department observes with regret that of late instances have come to their notice wherein pay drawing officers have stopped recovery of premia from the pay of their subordinate officials at their request, without any advice from this department. It is to be remembered that the agreement for the mode of payment of premia is entered into by the policy holder with the department and in the case of Government officials, the premia are recovered as deductions from their monthly pay, in accordance with the rules in force under the Public Branch Scheme of the Department on the advice issued by this department to the pay drawing officers. It follows therefore that the pay drawing officers cannot on their own responsibility stop the recovery of premia, without the specific instruction of this department. Such non-recoveries will amount to a violation of the contract and causes not only a good deal of accounting inconveniences but also financial loss to the department, particularly in view of the benefits provided to Government Officials in Rule 16 (2) of the Public Branch Rules.

It is therefore requested that when an insured official desires to discontinue his policy under the Public Branch Scheme of Insurance, he should be directed to apply to this department for the cessation of the policy contract and only on receipt of the advice from this department, can the pay drawing officer stop the recovery of the premium from the pay of the official.
